SWIM ASSOCIATION INVITATIONAL LEAGUE

On August 5, 1968, SAIL (Swim Association Invitational League) was chartered by the State of South Carolina as an eleemosynary corporation, its purpose being to promote and encourage competitive swimming in this area. Each pool participating in SAIL activities has a voice in the function of the association through its appointed pool representative who is a member of the board of directors of SAIL. The Board of Directors elects an Executive Committee composed of individuals interested in the promotion of competitive swimming, who conducts the general business of the Association.

Further success of the Swim Association Invitational League depends on the full cooperation of the member pools, the swimmers, and most especially the parents who will be asked to contribute their time and effort to the Association's project. Your Board of Directors wishes to thank all of those who have contributed so much time and effort this season for this worthwhile cause.

ACKNOWLEDGEMENTS

Bill Delaney Sporting Goods of Greenville for contributing the first place trophy. This trophy may be retired by any team who wins it for three consecutive years.

Frank Wyatt's Pool Service Incorporated for contributing the second place trophy. The name of the second place team will simply be added to the second place trophy each year.

The Greenville YMCA for the services of the YMCA building and pool, and staff for the championship meet. Also for the excellent supervision and guidance provided by the YMCA staff throughout the League season.

The Greenville Parks and Recreation Department for providing and setting up bleachers at pool side to accommodate the spectators for the SAIL Championship Meet.

Greenville's newspapers, radio stations and TV station for their excellent cooperation in publicizing swimming activities.

AWARDS

The first and second place trophies mentioned above will be engraved with this year's first and second place teams, and will be maintained on display at the YMCA until the 1972 Championship Meet.

Plaques will be presented to all teams in the meet for their personal possession and display at their pool.

The fastest six swimmers or relay teams in the preliminary events on Thursday and Friday will swim in the finals on Saturday. In the finals the first six places in all events will be awarded medals, gold, silver, and bronze. Fourth, fifth, and sixth places will receive bronze medals with appropriately colored ribbons. All awards will be presented to each team's coach at the end of the meet for presentation to the swimmers. It is suggested that these awards be presented to the swimmers at a team gathering and the swimmer be recognized for their achievements.
