## SWIM ASSOCIATION INVITATIONAL LEAGUE

On August 5, 1968, SAIL (Swim Association Invitational League) was chartered by the State of South Carolina as an eleemosynary corporation, its purpose being to promote and encourage competitive swimming in this area. Each pool participating in SAIL activities has a voice in the function of the association through its appointed pool representative who is a member of the Board of Directors of SAIL. The Board of Directors elects an Executive Committee composed of individuals interested in the promotion of competitive swimming, who conducts the general business of the Association.

Further success of the Swim Association Invitational League depends on the full cooperation of the member pools, the swimmers, and most especially the parents who will be asked to contribute their time and effort to the Association's project. Your Board of Directors wishes to thank all of those who have contributed so much time and effort this season for this worthwhile cause.

### ACKNOWLEDGEMENTS

Bill Delaney Sporting Goods of Greenville for contributing the first place trophy. This trophy may be retired by any team who wins it for three consecutive years.

Frank Wyatt's Pool Service Incorporated for contributing the second place trophy. The name of the second place team will simply be added to the second place trophy each year.

Furman University for the services of their newly constructed pool, and Dr. Reed for all the help she has given us not only this year, but in years past.

Greenville's newspapers, radio stations and TV station for their excellent cooperation in publicizing swimming activities.
