ABOUT THE '75 MEETS

Dan Breeden Memorial Classic

This meet is a natural expansion of the ever growing interest and competitive spirit that SAIL continues to stimulate. It is fitting that the late Dan Breeden, SAIL President in 1973, be honored and held in memorium with this Classic meet bearing his name. SAIL is thankful to him and his family for guiding us through a period of expansion.

The Breeden Classic brings together the top 12 qualified in each event from all SAIL Divisions. It is a meet designed to include the more accomplished swimmer and in so doing expands the quality of the SAIL program. It is a step in developing total participation among member teams.

SAIL CHAMPIONSHIPS

This meet is really the standard SAIL finals. It stresses individual accomplishment, as does the Classic. This year 18 finalists, qualified by the Divisional preliminaries with the 13th through 30th fastest times for each event, will compete. The objective of this meet, coupled with the Classic permits more participants to reach the finals and thus gain individual recognition. Therefore, a total of 30 finalists expanded from 12 last year, provides the direction for more participation and representatives.
